PORTFOLIO

Fareed Gul Portfolio

- Portfolio with multiple projects – covering everything from simple apps to complete full-stack builds.

SUMMARY

Passionate MERN Stack Developer with experience in building responsive websites, full-stack applications, and backend services. Currently learning Mobile App Development at Saylani to expand skills in creating scalable web and mobile solutions.

COURSE

WEB & MOBILE DEVELOPMENT TRAINEE – SAYLANI MASS IT TRAINING PROGRAM (ONGOING – 2025)

- Learning and practicing Mobile & Web Development under professional training
- Built multiple responsive layouts and dynamic websites
- Developed full-stack web applications using frontend + backend technologies
- Worked with backend services (e.g., Firebase, Supabase, Node.js basics) to create complete solutions

EXPERIENCE

FRONTEND DEVELOPER INTERN – RIZICK SOLUTIONS (4 MONTHS)

- Worked on Next.js and TypeScript with SCSS styling for frontend development
- Contributed to a project aimed at digitalizing parent–student agreements for schools, academies, and universities
- Developed features that allowed multiple parents/users to sign documents online and securely send them back as PDFs or files
- Collaborated with the team to improve UI/UX and ensure a smooth multi-user signing process
